FROM THE DESK OF THE APOSTLE

I DECLARE WAR-A STRATEGY TO WIN

The Christian soldier's battle is with Satan and his methods. You might not know this, but Satan's hierarchy is arranged in rank (order). They are skillful, they have goals, they have authority in territories, warfare to displace and remove all opposition then occupy in authority (eph. 6:12). They master and control all the evil forces of the world. There is a fearful rule of evil against the good of mankind. Their subordinates, the rank and file are innumerable and invincible, except to the God-equipped soldier.

***STRATEGY TO WIN – A good soldier knows before battle, there's always preparation. First preparation is the body (James 4:1), Romans 8:13, Col. 3:5),**

then the mind (II Cor. 10:4-5). Then receive the manifestation of Christ through His death, burial and resurrection (Romans 6:5, Phil. 3:10, Acts 4:33). Receive the power of Holy Spirit and Sonship (Acts 1:18, II Cor. 6:18). As a soldier, you have a decision to make (Romans 6:1-6) As a trained soldier, you know that your weapons are powerful, and you have proper battle gear but do you have the attitude of a warrior or conqueror to go into battle? Do you have the ability to stand, fight, conquer and drive the enemy from the field? The answer to this standing in a strength and a power not of my own but of GOD. I can do all things through Christ who strengthens me; I am more than a conqueror. I'm in the army of the living God. He is invincible.
